## **ASX ANNOUNCEMENT**

# **Penthrox Launch in the UK and pricing approval for Ireland**

Medical Developments International Limited (ASX: MVP) is delighted to announce that its fast acting, category leading non-narcotic analgesic, Penthrox, was launched in the UK by Galen Limited on 25 January 2016.

In addition to the launch in the UK, MVP is delighted to announce Penthrox has received full pricing reimbursement approval from the Irish Medicine's Board, which is another significant achievement.

MVP CEO Mr. John Sharman said: "MVP has already received substantial orders from Galen for the UK market and the recent pricing approval in Ireland is another step forward for our business.

Mr. Sharman said, "As a result of pricing approval in Ireland, Galen has placed a number of bigger than expected forward orders for Penthrox to facilitate the planned launch of Penthrox in Ireland during March. We look forward to reporting our progress in the future."
