## **ASX ANNOUNCEMENT**

# **MVP Completes Acquisition of Breath-A-Tech**

Medical Developments International Limited (ASX: MVP) is delighted to announce that it has completed the acquisition of Breath-A-Tech in Australia. Breath-A-Tech is the leading brand of asthma space chambers in the Australian pharmacy and hospital markets.

The total final consideration comprised \$2.029m cash and a scrip issue of 117,894 MVP shares (which are escrowed for 6 months).

MVP CEO Mr. John Sharman said: "The acquisition of Breath-A-Tech will establish MVP as market leader throughout Australia in asthma respiratory devices. The combination of their market position and our technology and product pipeline will give us a strong market position and offering. The acquisition will also add momentum to MVP's global growth strategy and in particular our recent success in North America.
