## **ASX ANNOUNCEMENT**

### **MVP signs Respiratory deal in the United States.**

Medical Developments International Limited (ASX: MVP) is delighted to announce that it has agreed a distribution deal with Cardinal Health Inc. for the distribution of its range of “Space Chamber” anti-static Respiratory Devices in the United States of America (USA).

Cardinal Health is a leader in global pharmaceutical sourcing and distribution services. As one of the largest healthcare supply chains in North America, Cardinal Health Inc. is headquartered in Dublin, Ohio. Cardinal Health, Inc. (NYSE: CAH) is a \$103 billion health care services company.

MVP CEO, Mr. John Sharman said: “Our deal with Cardinal Health compliments our deal with AmerisourceBergen which was completed in May 2016. We have delivered our first shipment of product to Cardinal Health and these two distribution deals will be an excellent platform for growth in the USA for our respiratory business. We now have one of the largest distribution networks in North America distributing our range of Respiratory products. We expect to add to this network and announce further distribution deals in the USA in the near future.”
